

# Moreno Valley Amateur Radio Association

## NET SCRIPT

Revised 12/09

QST

QST

QST

Welcome to the Moreno Valley Amateur Radio Association Net for Tuesday, (date).

This is a directed net which serves the Moreno Valley area and meets each Tuesday evening at this time. The purpose of this Net is to exercise local Net communications capabilities in preparation for the unlikely event of an emergency, and to provide a weekly forum for club members and visitors to exchange information and news concerning club activities and amateur radio interest in general.

Your Net control station for this evening is (name & call sign). I will now stand by for any emergency or priority traffic. Are there any stations having official news bulletins or announcements for the Net?

**I will now proceed with the regular roll call. Visiting stations may check in after the regular member roll call. Please check in when I announce the 1st letter in the suffix of your call sign, and indicate whether or not you have any traffic for the Net.**

ABC DEF GHI JKL MNO PQR STU VWX YZ

Are there any late or missed member stations wishing to check in?

Are there any visiting stations wishing to check in, call signs please?

At this time I wish to say good evening to those who may be listening and unable to check in, including those that may be waiting for their licenses.

Remember that we meet after this net on 28.415 USB for the informal part of the Net.

Are there any closing comments for the net?

Optional: Next week's Net Control operator will be (name and call)

Hearing no further comments, the Moreno Valley Amateur Radio Association Net is now closed at (time). 73 to all and have a great week. This is Net Control (call sign).
